This matter is before the court on petitioner's motion to dismiss the indictment in this case for lack of subject matter jurisdiction. Raising arguments previously raised in the myriad of motions filed by petitioner in this closed case, the petitioner attempts to have this court vacate his judgment.

This court, having reviewed petitioner's motion as well as the record in this case, finds that petitioner's motion fails to show sufficient basis for such a motion. The motion [DE #957] is DENIED.

This 3/ day of May 2018.

MALCOLM J./HOWARD

Senior United States District Judge
